I. BASIS OF ASSESSMENT OF MEMBER STATES' CONTRIBUTIONS TO UNIKOM FOR THE PERIOD 9 APRIL 1991 TO 8 APRIL 1992

A. Period from 9 April to 8 October 1991

1. By Security Council resolution 689 (1991) of 9 April 1991, the Security Council decided to establish the United Nations Iraq-Kuwait Observation Mission (UNIKOM) for an initial period of six months. By resolution 45/260 of 3 May 1991, the General Assembly decided "to appropriate an amount of $60,977,000 (gross), which includes the amount of $900,000 authorized by the Secretary-General and the amount of $5.9 million authorized with the concurrence of the Advisory Committee under the terms of General Assembly resolution 44/203 of 21 December 1989, for the operation of the Observation Mission from 9 April to 8 October 1991, inclusive". It further decided that there should be set off against the apportionment among the Member States their respective share in the Tax Equalization Fund of the estimated staff assessment income of $977,000 for the period from 9 April to 8 October 1991.

2. The amounts so appropriated by the General Assembly were apportioned among Member States in accordance with the provisions laid out in section I.C below and are shown in section IV below.

B. Period from 9 October 1991 to 8 April 1992

3. By a letter dated 7 October 1991 to the Secretary-General, the Security Council concurred in the extension of the mandate of UNIKOM for another period of six months, that is, until 8 April 1992. Under the terms of its resolution 46/197 of 20 December 1991, the General Assembly decided to appropriate to the Special Account an amount of $33,600,000 gross ($32,649,000 net) for the operation of UNIKOM for the period from 9 October 1991 to 8 April 1992, inclusive. It further decided that there should be set off against the apportionment among Member States their respective share in the Tax Equalization Fund of the estimated staff assessment income of $951,000.

4. Additionally, it was decided that, in accordance with regulation 5.2 (c) of the Financial Regulations of the United Nations, the contributions to UNIKOM until 8 October 1991 of the new Member States should be treated as miscellaneous income to be set off against the apportionments authorized as per above. The total of such income amounts to $10,133 (see sect. VI below).

5. These amounts have now been apportioned among Member States for the period from 9 October 1991 to 8 April 1992 and are shown in section V below. The apportionment was executed in two parts so as to take into account the provisions of General Assembly resolutions 45/260 of 3 May 1991 and 46/197 of 20 December 1991.

C. Apportionment of the costs of peace-keeping operations

6. On 11 December 1973, the General Assembly adopted resolution 3101 (XXVIII) on the financing of the United Nations Emergency Fund (UNEF II). Under the resolution, the membership of the United Nations was divided into four groups: (a) the States permanent members of the Security Council; (b) specifically named economically developed Member States that are not permanent members of the Security Council; (c) economically less developed Member States; and (d) economically less developed Member States that were specifically named. The resolution also specified the amounts of the total appropriation to be distributed among each of the four groups.

7. The four amounts specified in the resolution were established by a methodology intended to produce the following results: the Member States in group D would pay 10 per cent of the assessment rates established for the regular budget, those in group C would pay 20 per cent, those in group B would pay 100 per cent and those in group A would pay 100 per cent plus the amounts not otherwise apportioned.

8. Within each group, according to the terms of resolution 3101 (XXVIII), the amount appropriated was to be distributed among the respective group members on the basis of the relative weight of each group member's regular rate of assessment in relation to the total rate for the group.

9. The scheme for the apportionment of costs set out in resolution 3101 (XXVIII) has continued to be applied since that time for all peace-keeping operations financed through assessed contributions, including UNIKOM. However, the composition of the four groups of Member States has changed repeatedly since 1973 as a result of the admission of 33 new Member States, including seven new Member States in 1991 (see sect. VI below), and the decisions contained in the various General Assembly resolutions, the latest of which is resolution 43/232 of 1 March 1989, as adjusted by resolutions 44/192 B of 21 December 1989, 45/260 of 3 May 1991 and 46/197 of 20 December 1991. The percentage shares shown in sections IV and V below demonstrate the results of the application of the scheme, using the scale of assessments for the period 1989-1991, adopted by the General Assembly in resolution 43/223 A of 21 December 1988 as adjusted by resolution 45/256 B of 21 December 1990, and the scale of assessments for the period 1992-1994, adopted by the General Assembly in resolution 46/221 A of 20 December 1991.
